**Monotype Printmaking with Katherine Venturelli
For All Ages and Levels**

Come create a one-of-kind art print using non-toxic water-based inks and a printmaking press. The monotype print process is a delight because it fulfills ones need for playful experimentation, spontaneity, and surprise. At the end of the hands-on workshop, you'll take home your own creation of a unique monotype print along with the knowledge of basic printmaking techniques.

It is fun!
